

Samina Rasheed

Web & Mobile Developer

I am a dynamic Frontend Developer with a robust background in solving intricate problems and a keen expertise in crafting exceptional UI/UX designs. With a proven track record spanning 9 months, I have honed my skills to deliver innovative solutions that elevate user experiences. Passionate and creative, I am committed to continuous professional growth and advancement. Currently engaged in a remote internship with Softic Solutions, I thrive in an environment that values innovation and excellence. Eager to contribute my skills and knowledge to projects that demand cutting-edge solutions
